

Annual Sidewalk Maintenance Program

Maintaining Your Pedestrian Amenities

July 27, 2012

Planning

Design

Construction

Complete

- **Improve Sidewalk Connectivity**
- **Enhance Pedestrian Facilities**
- **Improve Safe School Walk Routes**

Thank you in advance for your patience and cooperation as we improve your neighborhood streets.

What: The City of Kirkland, along with its contractor, AGR Contracting, Inc. will be installing a section of sidewalk at NE 140th Street and 124th Avenue NE. See map on reverse side.

When: Construction is scheduled to begin at the end of July and be complete by mid August. Typical hours of operation are Monday-Friday 7:00 am to 6:00 pm. For up to date schedule information and/or rescheduling information please call the hotline number (425-587-3838) or check the Project web page at www.kirklandwa.gov (search street preservation and look under "Important Information").

What to Expect: The Contractor will be cutting out a small section of street pavement to prepare for the installation of new curb and gutter. Temporary traffic control measures will be provided by the contractor. Parking may be restricted in this localized construction area.

Driveway access: If sections of your driveway have been identified for replacement the contractor will notify you in advance. In these areas it will be necessary to keep vehicles off the new concrete for up to three days.

Garbage/recycle/yard waste service: The contractor will schedule activities around regular garbage/recycling pick-up schedules. If modifications to the pickup schedule are required, you will be notified. The Contractor will coordinate with your service provider to have garbage picked up prior to the street closure.

Mail service: The contractor will be coordinating with the postal service so your mail delivery is not impacted. In rare cases, your mail could be delayed a day. If your mail is delayed, it will be available for pick up at the post office the day it was scheduled to be delivered to your home. Otherwise, the mail will be delivered with the next day's mail.

Watering lawns: Water is harmful to all pavement repair treatments. Please avoid washing vehicles or watering adjacent lawns adjacent to wet concrete.

Emergency access: Emergency vehicle access will be maintained throughout the work.

Alternative Formats: Persons with disabilities may request materials in alternative formats. Persons with hearing impairments may access the Washington State Telecommunications Relay Service at 711. **Title VI:** It is the City of Kirkland's policy to ensure full compliance with Title VI of the Civil Rights Act of 1964 by prohibiting discrimination against any person on the basis of race, color, national origin or sex in the provision of benefits and services resulting from programs and activities. Any person who believes his/her Title VI protection has been violated, may file a complaint with the City of Kirkland. For questions regarding Kirkland's Title VI Program, or to file a complaint with the City of Kirkland contract - Kari Page, Neighborhood Outreach Coordinator at 425-587-3011 or KPage@kirklandwa.gov.
